This Price list is effective from January, 1st, 2012.

PRICES ARE IN EURO AND INCLUDE 25% VALUE ADDED TAX.

General Conditions

Tourist tax:

All guests sojourning in marinas, whether using moorage on a daily or monthly basis, or storage on land on a daily or monthly bases, are obliged to pay a tourist tax during their stay in the marina. The tourist tax is charged on per day/ per person basis in accordance with local regulations valid along the coast of Republic of Croatia.

Prices:

This Price List contains separate tables for daily, monthly and annual fees for mooring berths and land storage places. Prices are based on the vessel's length over all (l. o. a.). Exception is made in case of annual berth prices, where the price is determined by the vessel's lengths over all and the vessel's width.

By-boats (auxiliary boats):

Regardless of whether the by-boat (auxiliary boat) is registered or has a vignette signage, a berth fee is not charged when the auxiliary boat is placed on the main boat. When the by-boat (auxiliary boat) uses the separate berth place, the owner is obliged to sign a separate contract for the by-boat and the berth fee for a yearly, monthly or daily berth is charged in accordance with valid price list. When the by-boat (auxiliary boat) uses the separate berth place, and the main boat is not on a yearly berth contract with marina Tribunj, the valid price list for the daily berth is applied (no discounts allowed).

Parking:

Moto-caravans and camping vehicles for sojourn purpose are not allowed in marina Tribunj.
